Workplace Safety Policy

Sample Company | Training and Demo Document | Version 1.0

Purpose

This policy supports a safe and healthy office environment for employees and visitors.

Emergency Evacuation

When a fire alarm sounds, employees must use marked emergency exits, avoid elevators, and report to the designated assembly point.

Incident Reporting

All workplace accidents, injuries, near misses, and unsafe conditions must be reported to the safety team or manager immediately.

Fire Safety

Keep fire exits clear. Only trained personnel should use fire extinguishers when it is safe to do so.

Ergonomics

Adjust chair height, screen position, and keyboard placement. Take short breaks from prolonged computer work.

Visitor Safety

Visitors must sign in, wear a visitor badge, and remain accompanied in restricted areas.
